Water Resources Manager
Water Resources
Department of Natural Resources
Hourly Wage: \$27.45/Full-Time/Regular

Direct a small group of technical and support staff working on planning, monitoring, researching, protecting and enhancing the Water Resources of the Yakama Nation on the reservation and throughout the Yakama Nation area of influence. The direction shall be in a manner consistent with the culture, statutes, regulations, goals, policies, objectives and plans of the Yakama Nation which pertain to water resources. Responsible to coordinate water related projects and activities with and on behalf of the Yakama Tribal Council. Coordinate projects of the Water Program with other programs in the Yakama Nation governmental structure, the Department of Interior-Bureau of Indian Affairs and other agencies and/or parties concerned with Yakama Nation waters.

Knowledge, Skills and Abilities:

- Knowledge of management principles and practices, including optimum use of fiscal, human and material resources.
- Knowledge of the professional and technical aspects of the Water Resources Program.
- Knowledge of the culture, government, statutes, goals, policies, objectives, plans and the general relative status of the Yakama Nation as this information relates to water.
- Knowledge of past, present and potentially future trends associated with water resources as they relate to the interest of the Yakama Nation.
- Ability to direct, organize, plan, develop and analyze a multi-faceted water program.
- Ability to communicate effectively both orally and in writing.
- Ability to establish and maintain effective working relationships.

General Recruiting Indicators:

- Minimum of a Bachelor of Arts/Sciences degree with major course work in Natural Resources Management, Land Use Planning, Environmental Studies or related field and at least two years of progressively responsible experience which relates to the work of the position. OR
- Substituting on a month-for-month basis, graduate level course work in a discipline related to the work of the position, for minimum experience.

Special Requirements:

- Required to pass a pre-employment drug and alcohol test.
- Required to pass a pre-employment background check.
